Projects

Nxt Trendz - E-Commerce | *React.js, JavaScript, HTML, CSS, JWT Token, Routing*

March 2025

(Username: rahul — Password: rahul@2021) | [View Website](#)

- Developed a secure e-commerce platform using React.js, with JWT token-based authentication for protection.
- Created **login, product, and checkout pages**, using reusable React components to enhance user experience.
- Integrated REST API calls to retrieve and display products dynamically, ensuring fast and secure data fetching.
- Achieved a 60% increase in product views by improving UI elements and optimizing routing functionality.

Jobby App – Job Portal | *HTML5, CSS3, JavaScript, React.js, Bootstrap, RESTful API*

Dec 2024

(Username: rahul — Password: rahul@2021) | [View Website](#)

- Built a responsive job portal using React.js, enabling users to search, filter, and view job listings from a mock API.
- Implemented **React Router** for seamless navigation, improving overall app flow and user experience.
- Integrated **JWT token** authentication for secure login and protected routes.
- Enhanced user engagement by streamlining job filters and improving search performance.

Education

Rajiv Gandhi College of Engineering and Technology

Bachelor of Technology

2020 - 2024

Puducherry

Seventh Day Adventist Higher Secondary School

HSC

2019 - 2020
